

Hand/foot Pump

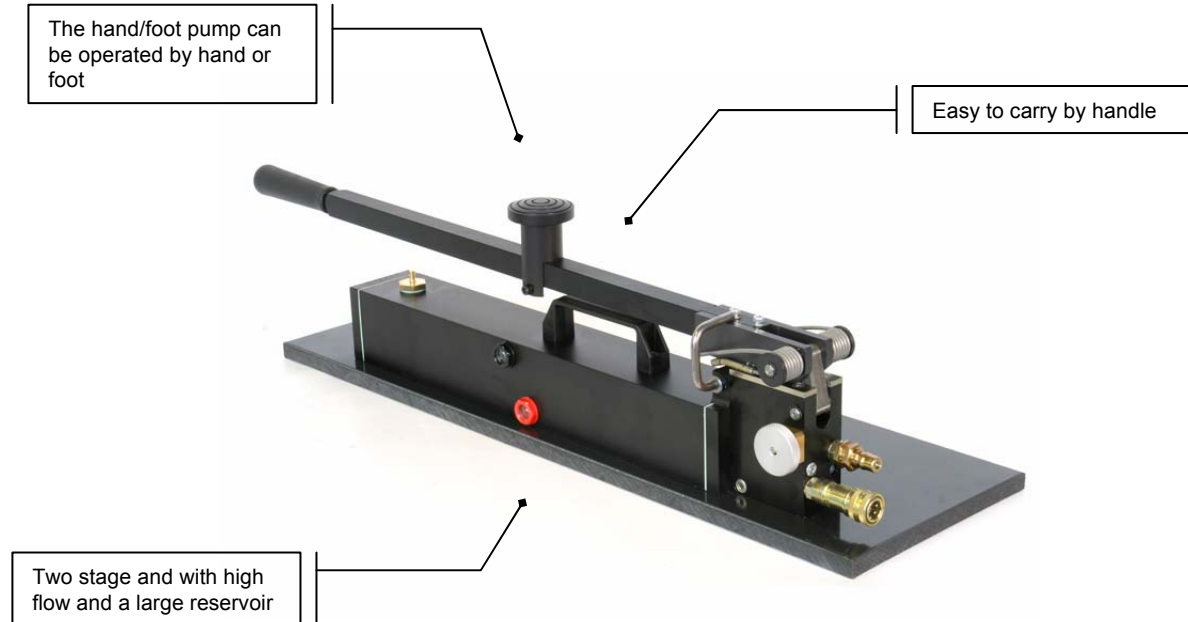

RESQTEC offers all necessary accessories, among them the Hand/Foot Pump. If ever there is a failure of your power supply or it can not be used the Hand/Foot Pump is there as backup.

For that very reason most customers purchase the pump.

Two stage and with high flow and a large reservoir it lets you operate any tool quickly and controlled.

The hand-Foot Pump is easy to carry and can be operated by hand of foot. The Hand Foot Pump is one of the most important accessories to have.
