

Single Hose Reel

RESQTEC offers all necessary accessories, among them the Single Hose Reel. The Hose Reel extends the length of the hoses to give easy operation and more flexibility. It lets you roll and unroll the hoses easily and fast. Customers buy the Single when they have a STO (Single Tool Operation) or want a third line in combination with a Double Hose Reel. They are lightweight and fully protected. They are a logical addition to a set. Available in length up to 30 mtr.
